Attorney Jim Lingle of Lingle Law Firm in Rogers, presents Treasurer Alice Noone with his check to become the first full-fledged male member of the Benton County Democrats, formerly known as the Benton County Democratic Women's Club. President Sharon Carter, far left, and Julia Crenshaw, Lingle Law Firm paralegal, joined for this landmark event which gives men the full rights enjoyed by the women for the past 76 years. The fact that this year also celebrates the 90th year of women's voting rights is just a coincidence! For more information, please visit <http://bcdems.org>
